What would you pay to see me walk a mile in high heeled shoes?

According to the CDC, nearly 1 in 5 women in the United States reported experiencing rape at some point in their lives. Additionally, 1 in 4 women will experience domestic violence in the lifetimes. Walk a Mile in Her Shoes® is an opportunity for me to step up and show my support for ending violence against women. Funds raised at Walk a Mile in Her Shoes® will support the work of SAFE, the local domestic and sexual violence services agency. SAFE provides housing, services and community programs designed to keep families safe and create a future free of violence. Please join me in supporting this important community service.
